

**FIFTH AMENDMENT TO THE EMERGENCY FIRE AND MEDICAL  
COMMUNICATION SERVICES AGREEMENT**

Bellevue and the Contracting Agencies who are currently participants to an Interlocal Agreement for Emergency Fire and Medical Communication Services (Agreement) hereby agree to Amend the Agreement, as previously amended, as follows

1 The Second WHEREAS Clause is amended as follows

WHEREAS, the parties have heretofore contracted with one another for the provision of emergency fire and medical communication services by Bellevue to the Contracting Agency, and are desirous of extending the service relationship for an additional year through December 31, 2009, except as provided below, for the purpose of enabling the Contracting Agency to continue to utilize Bellevue's emergency fire and medical communication capabilities, and thereby continue to avoid unnecessary duplication of effort and expenditures of public funds, and

2 The last WHEREAS is amended as follows

WHEREAS, the parties acknowledge that Bellevue and certain Contracting Agencies (as well as other public agencies) have established an independent public agency (NORCOM) under the Interlocal Cooperation Act (RCW 39 34) to provide the communication services Bellevue currently provides pursuant to this Agreement Therefore, the parties further acknowledge that services under this Agreement will cease upon NORCOM providing the services provided under this Agreement as more fully set forth below

3 Paragraph 12 is amended as follows

12     Contract Term and Renewal The term of this Agreement shall be from January 1, 2009 through December 31, 2009. Provided however, the parties acknowledge that Bellevue and other public agencies have established an independent public agency (NORCOM) under the Interlocal Cooperation Act (RCW 39.34) to provide the communication services Bellevue currently provides pursuant to this Agreement (NORCOM Services). Should NORCOM commence providing NORCOM Services earlier than January 1, 2010, this Agreement will terminate as provided in Paragraph 19.

4     Paragraph 19 is amended as follows:

19     Termination Either party may terminate this Agreement by providing written notice of its intent to terminate no later than the last day of a calendar year for termination to be effective on the last day of the following year. For example, if a contracting agency wished to withdraw effective December 31, 2009, a written termination notice must be produced during 2008 and in no case later than December 31, 2008. In the event such written notice is given, this Agreement shall terminate and be of no further force and effect on December 31st of such final service year. Provided however, this Agreement shall terminate upon NORCOM being formed and operational (i.e., providing the services provided under this Agreement) and Bellevue becoming a member of NORCOM. Bellevue will provide Contracting Agencies with 90 days notice of the termination of this Agreement due to the creation and operation of NORCOM.

5     Paragraph 20 is amended as follows:

20     Effective Date Upon execution by Bellevue and Contracting Agency(s), this Agreement shall take effect on January 1, 2009.

6 All other terms of the Agreement, as previously amended, shall remain the same and remain in full force and effect
